Summary

Started working as a soccer referee in early 2023. Had to manage little kids, parents, and coaches. I needed to be sure about the decisions and not be affected by everyone else. Then, I started working at Bier Distillery as a dishwasher, but then transitioned to being a kitchen assistant. Developed cleaning skills, food prep, and how to maintain a clean work environment. Made sure to work my hardest every day and complete all the tasks in a timely manner. Worked with many employees to make sure all of the food was made correctly and was not late. In my senior year was a part of a production class that made t-shirts, sweatshirts for clients. Worked as a part of the marketing team and ran the Instagram and TikTok.
